

The Firm

“Professionalism” can be defined in many ways. It can apply to work product, conduct, attitude, even dress. At Accounting & Consulting Group, we define professionals as people who are passionate about creative entrepreneurship, outstanding work product, and extraordinary client service.

Accounting & Consulting Group is made up of individuals who believe that public accounting is an honorable, exciting, and rewarding profession. We are looking for like-minded people to join us.

We invite you to consider Accounting & Consulting Group as you begin your way in public accounting. We are a firm where your individuality is encouraged and your opinions are valued. We'll help you find and build your professional strengths.

Three characteristics define everyone at our firm:

We love numbers and people.

We are good at what we do.

We enjoy working with each other.
